CONSERVATIVE WARD MEETINGS TO Vight. -The Conservatives of the various wards of the city are to meet at 8 o'clock tonight, at the places designated in the notice elsewhere in the Gazette, for the purpose of lecting delegates to attend the county convention to meet on the 11th proximo to nominate candidates for the House of Delegates.

THE FINANCIAL SITUATION IN ALEXANDRIA. The week which closed with Saturday was the fullest of trial to the business community, which, perhaps, has ever occurred in our local history, and it is to be hoped will ever occur penil. and it is but justice to say that both on the part of the merchantile and manufacturing community, and the banks, was met in a mannet which must command the public respect, and insure confidence in the future. The banks at this city have, during the past week, paid out more currency than all the banks in Baltimore during the same period, and every man er firm having money on deposit, who has apphed for currency, has been paid enough to carry on ordinary business operations, pay off all his hands and support his family. In no single instance has an establishment whose credit account at the banks showed a ballance, failed to get, on demand, either all that he had in bank, or all that was needed to pay off all his hands. Any statement to the contrary is without the stadow of foundation. Of course an employer who had no money in the bank could not draw any out. It is said with perfect truth that no laboring man went home last Saturday night unpaid, because of any stringency on the part of the Alexandria banks. If any employee was left unpaid it is not just to blame the banks for it. The prospects for the present week may be stated as follows: The First National Bank will continue to pay in currency all checks of small amounts designed to be used for business purposes or the needful operations of life, and will cash all checks of depositors given to laboring men for wages actually due them. All other deposites will be represented, if desired,

The Citizens' National Bank says that it is stronger to-day than when the panic begun, and is amply able to pay every ceut due depositors and leave a large surplus. It will not, however, pay large checks designed to draw currency away from the town, or for the purpose of speculation, but will cash, at call, the checks of all depositors drawn for legitimate business purposes, and here, as at the first National Bank, if any depositor will give any employe a check on the bank for wages actually due, it will be paid at once, The Farmers' and Mechanics Savings Bank

POLICE REPORT. - The following cases have been reported at Police Headquarters since Satunlay's issue: Howard Davis, for disorderly conduct and for fighting, was fined and discharged, James Simmes, for disorderly conduct, was sent to the Work House for thirty days; James Scott, colored, for beating his wife, on Vinegar Hill, and Nat. Turner, colored, for disorderly conduct in the same locality, were fined and discharged; Fanny Gibson, colored, for disorderly conduct on the street late at night, was sent to the Work House for tharty days. An old colored man, imbecile, who had wandered over here from Washington, was sent back to his home. Alfred Locker, colored, put on the chain gang on Saturday by Justice Padgett for robbing the hall of a private residence, was released by the same Mag-Istrate, upon Inruishing security for his appearthe at the next term of the Corporation Court.

HARMONIE ASSOCIATION. -At the annual faceting of the Harmonie Association, held at their hall last night, the following named offiwere elected for the ensuing year: Justus Schneider, President; S. Dealham, Vice Presdent; M. Ullman, Secretary; D. Bendheim, Casurer; S. Blondheim, I. Schwartz, Henry Wildt and Fritz Schneider, Directors; Otto Fortner, Theatre Director.

A vote of thanks was tendered their late President, Lewis Stein, and arrangements were commenced for making the coming season one of unusual attractions.

The hall has been repaired and refurnished, and the theatrical representations to be produced weekly will be rendered in excellent style and with the assistance of histrionics from ashington.

THE PILOT BOY.—The steamer Pilot Boy arrived up early yesterday afternoon from Cone River and the Potomac landings with fifty passchgers and a fair freight. She is an A No. 1 had though drawing no more water than the Wawaset, on whose schedule she is running, has accommodation for more freight and passengers than that ill fated steamer. Her saloon co-extensive with the breadth of the boat and almost with that of her length-and is hand-Somely furnished, and Capt. Byles will spare no

ains nor expense to make her popular with

de river trade.

WASHINGTONIANS VS. ALEXANDRIANS.-A earty of the numerous Washingtonians who sisted this city yesterday afternoon raised a isturbance with some Alexandrians on Union dreet, near King, and the fighting that ensued reated some excitement and attracted quite a Towd of spectators. During the row one of the xandrians engaged—the only one arrested, and he not until the affair was over—walked down right and left, so that none were left standing before him.

RELIGIOUS SERVICES YESTERDAY.-The weather yesterday, though damp and cloudy early in the morning, cleared off bright and beautiful by 11 o'clock, and the churches were during the day attended by congregations of the usual size. The pulpit of Christ Church at both the morning and night services was occupied by Rev. Mr. Page; Rev. Dr. Wheat preached at St. Pauls Church in the morning, and Rev. Mr. Kepler there in the evening; Rev. Father Sauren preached at 11 o'clock Mass in St. Mary's Church; Rev. Mr. Waller in the morning at the 1st Presbyterian Church, where there was no service at night; Rev. Mr. Lighter in the M. E. Church night and morning; Rev. F. M. Mills in the M. E. Church South in the morning; Rev. Mr. Crouse in the M. P. Church morning and night, and Rev. Mr. Busey in the Village Chapel in the morning. The pulpits of the other churches, and those of the above mentioned churches, except at the times specified, were occupied by the resident clergy. The following is a report of the work done during the day by the Young Men's Christian Association:

The St. Asaph-street Sunday School opened with new interest. A largely increased attendance of scholars and a full corps of teachers were present—the latter fully determined to prosecute the work with vigor. The session closed with the usual talk to the children.

The King and West street Sunday School held a most excellent session. Seventy scholars were present and a further addition to the corps of teachers, and again the hearts of the workers were encouraged in witnessing the interest displayed by the children in their lessons and in the usual exercises.

The colporteur of the Association was at his post at the Canal basin in the morning, and perormed his usual efficient labors. The open-air meeting at this p int at 3 p. m. had a smaller attendance than last Sunday, but a full committee were present, and had a delightful season of work.

The Alms House meeting had a larger congregation than ever before assembled in that place. So great was the interest that the meeting was protracted after the visitation committee left, and three penitents were the result of the work. The manifestation of the Spirit in this field of the Association' slabor is unmistakably apparent. The Jail services were conducted by a large committee. The services were interesting, and doubtless left some impress for good on the minds of the few inmates now there confied.

The open-air meeting at the corner of King and Royal streets had a very full assemblage. A large committee was at work, and worked with an energy and interest worthy of the cause. All the exercises were respectfully attended to by those present, and doubtless good was accomplished by their means. This meeting closed the open air exercises of the Association for the

The four-o'clock prayer meeting in the Methodist Episcopal Church was one of the most intensely interesting ever held by the Association. The influence of the Holy Spirit upon the exercises was truly manifest. A large congregation present; the services were interspersed with impromptu prayer, praise and earnest exhortation. The brethren were out in full numbers, and special prayer was offered for sinners seeking salvation. Stirring appeals were made to the Throne of Grace for a large and immediate revival of religion in our midst. Strenuous pray ers and exhortations were made for and to the unconverted, and powerful appeals to the lovers of Jesus to work devotedly and at once in the vineyard of the Lord, and finally the most earnest appeals were made to Almignty God to pour out his Spirit upon the Churches. This meeting will be held next Sunday in the First Presbyte-

WOUNDED BY A PITCHFORK. -Mr. George Peverill, while stacking hay on the farm of Mr. John J. Lloyd, near this city, on Saturday last, was badly injured by a pitchfork which sliding from the top of a stack while he was scraping up hay withhis hands at the base pierced the calves of both his legs wounding them severely, though it is hoped not seriously.

Oysters.-The oyster dealers now have plentiful supplies of oysters of excellent quality as regards both size and flavor. They obtained them from the steamers Pilot Boy and Columbia, which arrived yesterday evening with large quantities, and from the slop Waddey, which arrived this morning from St. Mary's river with a cargo.

FINE FRUIT .- Mr. Edwin C. Fitzhugh has sent to this office a sample of Heath peaches gathered from his orchard, near Cloud's Mill, which, for size, beauty and flavor certainly equal anything in the peach line ever eaten. Virginia this year has excelled all the other States in the Union in her fruit crop, and Fairfax has excelled all other counties in Virginia.

Financial Affairs. FROM LONDON.

LONDON, Sept. 29. -At 12:15 p. m. the Bank of England directors posted their card anouncing that the expected change in the rate of discount had not been made, which causes dull

ness in American securities. Two hundred and twenty-five thousand pounds in bullion were shipped from Plymouth for New York on Saturday, in the steamship Silesia. The steamship America, which sailed from Southampton on the same day for New York took out 16,000 pounds. Engagements have been made for the shipment of 50,000 pounds by the steamship Donan, which sails rom Southampton to-morrow. It is said 500, 000 pounds are booked for shipmeht this week The failure of three brokers in consequence of the fall in the price of Erie railway shares,

has been announced on the Stock Exchange. LONDON, Sept. 29, 1:45 P. M. - The rate of discount for the Bank of England has been fixed at 5 per cent at a meeting of the directors

LONDON, Sept. 29, 2 P. M.—The announce ment at 1:45 p. m. of the increase in the rate of discount in the Bank of England causes much surprise in financial circles.

LONDON. Sept. 29, 3:30 P. L.—The amount

of bullion withdrawn from the Bank of England on balacce to-day is 638,000 pounds. LONDON, Sept. 29, 3:45 P. M.-The rate of discount in open market for three months bills s 5 per cent. which is the same as the Bank of

England rate. LONDON, Sept. 29, 4 P. M -The demand for discount at the Bank of England to-day, as well as in open market, has been heavy at a rate of 5 per cent.

One hundred and twenty-four thousand pounds of 638,000 pounds drawn from the Bank of England on balance to-day, is for shipment to America; the balance goes to Germany. LONDON, Sept. 29.-4:15 p. m.-The rate for money at the Stock Exchange on govern-

ment securities is 3 per cent. FROM NEW YORK. NEW YORK, Sept. 29.-The disturbed state

of the money market has made it necessary for some large firms in this city to discharge many of their hands, and to give the others only three or four days work a week. One large manufacturing firm has closed up altogether. NEW YORK, Sept. 29. - Gold opened at 1131 now 1123.

Jay Gould said yesterday: "I think the panic is over. I have every faith now in an advance in prices and believe that the market will be more buoyant than for a long time past. Wall street has been cleared out of a great pack of worthless stocks and so-called securities by the purging process of the panic, and comparatively few stocks are now quoted except those of real value. In all cases the prices are now too low, and in that of good dividend paying stocks a large advance is necessary to bring them to their actual worth. The reasons for an advance are that the money market will become easy, as soon as the Stock Exchange is opened, owing to the very large quantities of greenbacks which have been disbursed by the government in its late bond purchases; that an immense amount of capital has been put into circulation by the action of the banks in issuing Clearing House certificates which displace a corresponding quantity of currency; that England, in sending over millions of gold, which will come into active use immediately on arsleep that it will be all the more lively when it wakes up again.

NEW YORK, Sept. 29-noon.-Affairs are becoming more settled on the street. The stock market is a little better, with considerable doing. The street quotations are:

Union Pacific, 19a21; Central, 89a90; Pacific Mail, 31a32; North Western, 41 bid; Ohio and Mississippi, 281a30; Western Union, 63 asked; Harlem, 106 bid. The Governing Committee of the Stock Ex-

change held another meeting this a. m. to make arrangements for the opening of the board to-morrow. The committee adjourned until 1.30 p. m. and referred the regulations respecting business to-morrow to a sub-committee, with instructions to report this after-

PHILADELPHIA.

PHILADELPHIA, Sept. 29.—Benj. Bullocks' Sons, extensive wool dealers, suspended this morning for a large sum, but have ample assets to pay all obligations. Their suspension was caused by the failure of the Glenham Manufacturing Company, of New York, who owe them about \$600,000. Joseph Bullock, one of the members, is a director of the Corn Exchange National Bank, but they owe that institution only \$45,000, which is covered with collaterals for twice that amount. This affair has caused no unusual excitement, and in business circles generally there is a confident tone.

FROM ST. LOUIS. St. Louis, Sept. 29. -The express lines centering here are bringing to the city a much larger amount of currency than they are taking away. The banking house of Curry & Kerby, at Jefferson City, and two at Chillicothe, suspended on Saturday. They are all regarded as solvent, and no losses will be sustained. The banks in other parts of the State still hold out

as far as is known. FROM READING, PA. READING, PA., Sept. 29.—Business is progressing quietly. The banks are promptly meeting all demands. Father Boneman, at St. Paul's Catholic Church, announced that if his hearers had money in bank and doubted its safety, he would guarantee its payment.

UNIVERSITY OF VIRGINIA. CHARLOTTESVILLE, Va., Sept. 29.-In consequence of the money crisis in the cities, the University of Virginia has made arrangements for credits to all the students temporarily embarrassed by the same.

Illicit Distillery Seized.

NEW YORK, Sept. 29.-On Saturday last a distillery in successful operation by a convict named John Short was discovered in the quarry grounds at Sing Sing. The mash was a compound of bread, corn, tomatoes, apples, potatoes and carrots. The keeper of the still had realized six hundred dollars by his enterprise, and it is said some of his most liberal patrons were keepers, who had also aided in constructing his distillery, which was composed of an iron kettle with a worm made of half an inch gas pipe, and old barrels for mash tubs.

Fire.

CINCINNATI, Sept. 29. - A special dispatch from Brenharn, Tex., Sept. 29, says a fire there last night consumed two and a half squares of buildings in the business portion of the city. Among the losers are, Thomas Dyer, E. H. Abbott, F. Bush, Messrs. Wood & Co., Warner & Bro., Selhoster & Bro., C. Marquetz, Buck & Levey, A. Frank, G. S. Parker—all merchants. Several bar rooms, ten pin alleys and restaurants, were also burned. The loss is not yet ascertained.

The Bonbardment of Alicante.

MADRID, Sept. 29.-The insurgent frigates Numancia and Mendez Nunez have left Ali-cante for Cartagena. The commander of the Numancia admits that there was serious loss of ife on his vessel during the bonbardment of Alicante last Saturday. It is generally believed that the failure of the insurgents to capture Alicante will cause the inmediate surrender of lartagena, thus ending the intransigente insur-

The other part of the band has gone still further into Mexico, but it is expected they will return and cause more trouble on the border.
